

## **VENDOR APPLICATION INFORMATION & INSTRUCTIONS**

Persons or concerns wishing to be added to the College's computerized vendor commodity bidders' list for supplies or services shall file this completed and certified Vendor Application, together with such other lists as may be attached to this application form, with the College's Purchasing Office. Identify by checking on the attached commodity class list the equipment, supplies, materials and/or services on which you desire to be invited to bid. The College's computerized system uses your Federal Employers Identification Number (FEID) as your vendor identification number. If you do not have and FEID, please provide the Social Security Number of the firm's owner. Applications returned without FEID or owner's SSN, or incomplete applications, will not be entered into the vendor List.

Those vendors who, after placement on the College's vendor list, fail to respond to three solicitations (by returning solicitations either with a bid or marked No Bid) shall be interpreted by the College as uninterested and removed, without notification, from the vendor list. Failure to respond is taken as the vendor's compliance with removal from the list. Submission of a vendor application does not guarantee that a vendor will receive copies of all solicitations issued by the College. The College would appreciate vendors placing FCCJ on their mailing lists for catalogs and price information.
